

Mr. Vinubhai Kanjibhai Chavda
[Whole-Time Director]

DIN: 07146551

Mr. Vinubhai Chavda is a dynamic business leader and mechanical engineer with over **two decades of experience** in manufacturing, engineering and global business development. With academic foundations in Mechanical Engineering and an MBA in Marketing, he has **combined technical expertise** with strategic vision to drive organizational growth

At Maxwell, he plays a **pivotal role** in steering the company's expansion into underwater pelletizing components, die plates, blades, blade holders, tapped bushes and CJTEK crossheads for cable extrusion plants. His leadership has been **instrumental** in introducing cutting edge technologies, building global collaborations and aligning Maxwell with long term milestones and international expansion.

His professional journey reflects a **commitment** to innovation, collaboration and operational excellence, making him a **cornerstone** of Maxwell's leadership team and a key contributor to its vision of becoming a global leader in polymer processing solutions.
