

Mr. Nishit Patel
[Head-Operations]

Mr. Nishit Patel is a mechanical engineer with **over 13 years of experience** in operations management, production planning and quality systems. At Maxwell, he **leads cross functional teams** to streamline manufacturing, supply chain and process efficiency, while also serving as the Management Representative for ISO 9001:2015.

His prior roles helped him build **strong expertise** in CNC process optimization, quality control and preventive maintenance.

Holding an M.Tech in CAD-CAM, B.Tech in Mechanical Engineering and a Diploma in Mechanical Engineering, Mr. Nishit Patel combines **technical acumen** with **operational leadership**, driving Maxwell's commitment to efficiency, reliability and continuous improvement.
